

## Coronavirus Prevention

March 22, 2020

Dear All Southern Fabricators Customer:

The world health community is continuing to monitor closely, the emergence of the SARS-CoV-2 virus and the disease it causes, named "coronavirus disease 2019 (COVID-19). No one knows how severe this outbreak will be. With this uncertainty, we are taking proactive steps to address a number of business concerns.

We are taking into consideration the possibility that a widespread Coronavirus outbreak would create distinctive challenges for the foodservice industry.

Areas for action to include:

- Education for ASF associates regarding coronavirus, its transmission and practices to reduce the possibility of spread and/or infection.
- Implementing social distancing (enforcing safe distance between colleagues) and limiting handshakes and face-to-face meetings.
- Restricting non-essential business travel. ASF has halted all international travel on behalf of the company. Additionally, we are discouraging any non-essential domestic travel where possible. These potentially affects customer visits, tradeshow, etc. If you are unsure what is deemed "non-essential" travel, please discuss with your ASF sales representative. ASF has many forms of teleconferencing. We are happy to join your meeting or event remotely when possible.

In the event of a general health emergency involving an infectious disease such as coronavirus, ASF will continue to operate in accordance with our established service continuity plan, which includes:

- Updated business continuity scenarios that consider both client issues and ASF responses.
- Workforce planning, including skills inventories, alternatives to traditional office models and disease prevention measures.
- Identification of a crisis management team.
- Colleague and Client communication strategies.

It is important to note that the coronavirus situation is rapidly changing. Rest-assured that All Southern Fabricators is continually monitoring the situation.

Please contact your ASF sales representative with any questions or concerns.

Thank you for your continued partnership.
